## GENERAL INFORMATION

### PROGRAM DESCRIPTION

**Montessori 101:** The first three weeks in June (sessions 1-3) will be devoted to educational enrichment. The mornings will be led by Montessori AMI trained Primary staff member Mikkale Alford. Children ages 3-6 years will spend the mornings working in a traditional Montessori setting. This part of the program is designed to enhance the knowledge of currently enrolled Montessori children and allow non-enrolled children to experience a Montessori environment for the first time.

The children staying in the afternoons will also be introduced to educational and classic games, gardening, arts & crafts conducive to summer activities. These activities, led by After Care Directress Audra Montgomery, are designed to enhance cooperative social skills as well as engage the child's interest.

**Themed weeks:** During the last week of June and the entire month of July (sessions 4-8), our themed weeks will be led by our After Care Directress, Audra Montgomery.
